About Us

AS Creative Solution & Resources is a leading integrated solutions provider in creative technology, event production, and environmental services. With more than 20 years of experience, we have built a reputation for excellence, innovation, and reliability across diverse industries and large scale projects.

We combine cutting edge technology with creative expertise to deliver immersive experiences that connect audiences and elevate brand impact. From concept design to seamless execution, our team of seasoned professionals manages every detail including planning, production, logistics, and on-site delivery to ensure events that are memorable, meaningful, and impactful.

Our commitment to environmental stewardship drives us to develop and implement sustainable practices across all aspects of our work. We provide tailored environmental solutions that align with global standards and help clients operate responsibly, from waste minimization strategies to eco-friendly event technologies.

We are passionate about transforming ideas into experiences, leveraging innovative technology, and championing sustainability — all while delivering excellence that stands the test of time.

EVENT STRUCTURES & SPACES

Event Structures & Spaces

CANOPY & TENT

We provide dependable canopy and tent solutions for events, functions, and temporary site requirements. Our canopies and tents are made from durable, weather-resistant materials to ensure comfort, safety, and a neat, professional appearance for all types of outdoor and semi-outdoor activities.

Our service covers delivery, installation, and dismantling, ensuring a smooth and hassle-free experience. We offer various sizes and layouts to suit different event scales, with optional add-ons such as side covers, lighting, and flooring available upon request to meet specific operational or event needs.

APPLICATION INCLUDE

- Canopy (Arabian/Transparent/Modular)
- Marquee Tent
- Transparent Marquee / Aircond
- Pop-Up / Canopy Tents
- Frame Tent
- Exhibition Tent
- Party Tent

Event Structures & Spaces

STAGE

We offer event stage solutions designed for ceremonies, performances, briefings, and official programs. Each stage is constructed using strong, reliable materials to provide a safe, stable, and polished platform for presenters and performers.

Our scope of work includes transportation, assembly, and dismantling, with flexible stage dimensions and layouts to suit various event needs. Additional features such as stage skirting, steps, backdrops, and lighting can be arranged upon request to enhance the overall event presentation.

APPLICATION INCLUDE

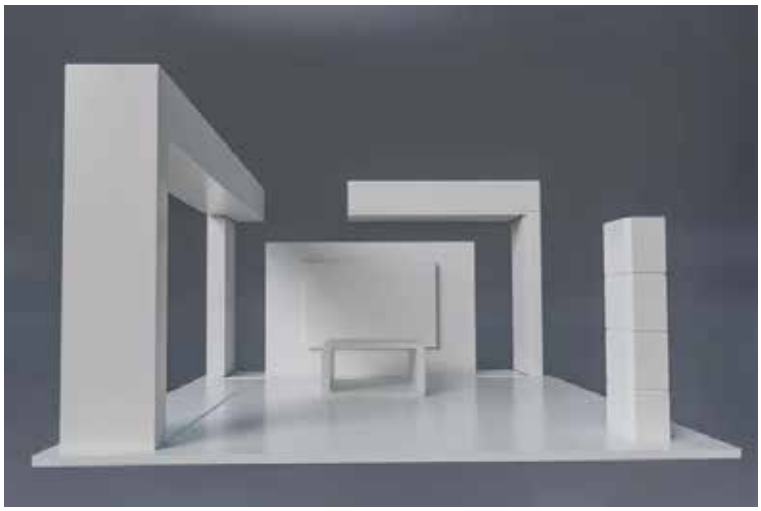
- Festival stages and DJ platforms
- Modular covered stage rentals
- Conference stage setup and production service
- Wedding reception and private event stages
- Tiered seating and elevated dance floors
- Fashion show catwalks
- Concert and live band stages
- Stages for speeches, sports events, and ceremonies

Event Structures & Spaces

EXHIBITION BOOTH

We provide exhibition booth solutions suitable for trade shows, expos, showcases, and promotional events. Our booths are designed to be functional, visually appealing, and professionally finished, helping exhibitors effectively present their products, services, and branding.

Our service includes delivery, installation, and dismantling, with booth layouts and sizes customizable to suit different exhibition requirements. Optional features such as panels, counters, lighting, signage, and branding elements can be provided upon request to enhance visibility and engagement.



APPLICATION INCLUDE

- Standard shell scheme booth
- Custom-built booth
- Island / Corner booth
- Peninsula booth
- Double-decker booth
- Modular booth
- Pop-up booth / Display kiosk
- Product showcase booth

Event Structures & Spaces

CUSTOM-BUILT SPACES

We provide custom-built space solutions tailored to meet specific event, exhibition, and operational requirements. Each space is designed and constructed according to client specifications, ensuring functionality, aesthetics, and efficient use of the available area.

Our service covers design, fabrication, installation, and dismantling, delivering a seamless end-to-end solution. Custom features such as partitions, branding elements, lighting, and finishes can be incorporated to create a unique and professional space aligned with the intended purpose.

APPLICATION INCLUDE

- Bars & restaurants
- Temporary Structure
- Promotional events
- Experiential marketing campaigns

EVENT DECORATION

Event Decoration

EVENT DECO & PROP

We offer event and decoration services to enhance the overall look and atmosphere of events, functions, and official programs. Our solutions are thoughtfully designed to create a cohesive, elegant, and engaging setting that aligns with the event theme and objectives.

Our scope includes concept design, setup, and dismantling, with decoration elements such as backdrops, floral arrangements, table settings, props, and lighting available upon request. We focus on delivering a polished and well-coordinated presentation for a memorable event experience.

APPLICATION INCLUDE

- Stage and Backdrop Decor
- Table and Seating Decorations
- Lighting and Ambience Elements
- Signage and Branding Props
- Themed Props and Installations
- Floral and Greenery Arrangements

Event Decoration

HOARDING & CARPENTRY

We provide hoarding and carpentry solutions for events, exhibitions, construction sites, and temporary installations. Our work is built using quality materials to ensure durability, safety, and a clean, professional finish suitable for both indoor and outdoor applications.

Our services include custom fabrication, installation, and dismantling, tailored to meet specific layout and design requirements. Options such as branding, partitions, panels, and bespoke carpentry works can be incorporated to support functional and aesthetic needs.

APPLICATION INCLUDE

- Site Hoarding and Fencing
- Custom Wall Partitions and Dividers
- Reception Counters and Information Desks
- Storage Cabinets and Utility Units
- Custom Signage and Branding Panels

Event Decoration

DISPLAY

We provide display solutions for events, exhibitions, and promotional activities, designed to present information, products, or branding in a clear and visually appealing manner. Our displays are crafted to enhance visibility and create a professional presentation.

Our service includes fabrication, setup, and dismantling, with various display formats available to suit different requirements. Custom options such as panels, stands, signage, and branding elements can be arranged to support effective engagement and communication.

APPLICATION INCLUDE

- Display Shelving and Product Stands
- Banner and Poster Displays
- Product Showcase Stands
- Interactive Touchscreen Kiosks
- Exhibition Panel Displays

Event Decoration

FURNITURE

We provide furniture rental solutions for events, conferences, exhibitions, and corporate functions. Our range includes seating, tables, and other essential furnishings designed for comfort, practicality, and a professional look.

Our service covers delivery, setup, and collection, with a variety of styles and configurations available to match different event themes and requirements. Additional options such as linen, cushions, and decorative pieces can be provided upon request to enhance the overall event ambiance.

APPLICATION INCLUDE

- Chairs and Seating
- Tables (dining, cocktail, and conference)
- Sofas and Lounge Sets
- Stage and VIP Seating
- Bar Counters and Stools
- Decorative Furniture

AUDIO, VISUAL & LIGHTING

Audio & Lighting
